

## Welcome to CCYP's Production of The Big Bad Musical!

This schedule is provided primarily for planning purposes. It should be used to gauge an actor's availability and the time commitment required to support this CCYP production.

---

### Attendance Information

---

You will receive a monthly *Production Calendar* at the beginning of each production month that provides a detailed breakdown of times when specific cast members are needed to attend rehearsals, as applicable. Unless otherwise specified, assume that all cast members are called to each rehearsal. There will be no changes made by the staff to this schedule as the production run progresses. You need to ensure at the outset that you have sufficient time in your schedule to support this effort without exceeding the number of allowed absences. This is a team effort where every actor relies heavily upon his/her interactions with others to bring the story to life.

To reiterate the information provided in the *Attendance Policy* (see *Conduct Policies*), actors are allowed a total of three absences only. If actors are involved in both Players and Troupe productions, there is only one rehearsal (Wednesday March 10<sup>th</sup>) which is a direct conflict between the two; a necessary absence by an actor to participate in the mandatory Players' technical rehearsal on that evening will not be counted as one of his/her three allowed absences. Come to your audition with a listing of all known absences according to the following schedule. It will be up to the Production Staff to determine whether or not the absences you indicate are acceptable and to advise you before registration begins.

Once rehearsals begin, all other requests for absences must be submitted in writing (e-mail) to the Stage Manager for approval at least two days prior to the requested absence. Phone the Stage Manager in the case of an unexpected illness or emergency situation. No absences are allowed on any dates designated as mandatory.

**Note:** On the following schedule pages, all mandatory dates are indicated with an asterisk (\*) to the right of the activity description.
