

Welcome to CCYP's Production of Treasure Island

This schedule is provided primarily for general planning purposes. It should be used to gauge an actor's availability and the time commitment required to support this CCYP production. A cast preference must be identified during registration and on the actor *Audition Form*. A specific cast request will only be honored if you have a regular weekly activity that directly conflicts with rehearsal times.

Attendance Information

You will receive a monthly *Production Calendar* at the beginning of each production month that provides a detailed breakdown of times when specific cast members are needed to attend rehearsals. In the beginning (depending on their part), some actors may be scheduled only once a week. Changes may occur as the production run progresses. You will be provided advance notice of any necessary changes to the schedule.

To reiterate the information provided in the *Attendance Policy* (see *Conduct Policies*), actors are allowed a total of three absences only. Indicate all known absences on the *Policy Acknowledgement for Actors*. It will be up to the Production Staff to determine whether or not the absences are acceptable and advise you before the tuition refund deadline.

Once rehearsals begin, all other requests for absences must be submitted in writing (e-mail) to the Stage Manager for approval at least two days prior to the requested absence. Phone the Stage Manager in the case of an unexpected illness or emergency situation. No absences are allowed on any dates designated as mandatory.

Note: On the following schedule pages, all mandatory dates are indicated with an asterisk (*) to the right of the activity description.
