Curtain Call Youth Players (CCYP) is a non-profit 501 c (3) organization founded in 1992. We are committed to educating youth in all aspects of performing and producing live theater. CCYP seeks to nurture the love of theatre in people of all ages. We take pride in the fact that we have watched many of our young people develop both artistically and emotionally through their involvement with CCYP.

CCYP strives to produce high quality productions and keep costs down so all interested young people are able to participate and take pride in their work. We need your help. You can become a CCYP patron by making a tax-deductible gift to our organization. Parents and friends of CCYP contribute greatly to the success of our organization through their donations of time and money. We are grateful for all contributions, large and small.
